CHARLIE HADEN/PAT METHENY Missouri Sky Duets Limited Availability August 2003

HADEN & METHENY. MISSOURI SKY DUETS. Ted Kurland Associates has the Grammy Award winning project available for a very limited number of dates in August of 2003. Please call Denis Sullivan (+1.617.254.0007) or email denis@tedkurland.com [2] if you are interested or wish to submit an offer.

Charlie Haden began the MISSOURI SKY project by gathering together a series of songs that would tell stories of the Midwest, of the people who make up the heart of America and of the vast heartland itself. Working with Pat Metheny, a fellow Missourian, the two have created a program of unforgettable aural landscapes. The album won a Grammy Award for "Best Jazz Instrumental Performance."

The Haden & Metheny duets of these "short stories" add up to a moving, beautiful anthology of American music and an unforgettable concert by two of America's premiere musicians.
