

## [SHOWCASE APPLICATION DEADLINE EXTENDED UNTIL NOVEMBER 2, 2012](#) [1]

Submitted by sybille\_kornitschky on Thu, 17/01/2013 - 18:27

Due to the technical problems we've had with large data volumes recently, we've decided to give everyone a couple more days to submit their applications. Still, that's only a short time left, so be quick and send in your artist proposals!

The showcase application form is now available again here for registered (co-)exhibitors.

We'd like to thank you for your patience and understanding and are looking forward to receiving your showcase proposals!
