Biography:

Gonzalo Rubalcaba was a guest musician on Al Di Meola's recent "Paradise of Radical Rhapsody", now the two outstanding virtuosos are heading for a common tour. The fusion of the world class guitarist Al Di Meola and the exceptional pianist Gonzalo Rubalcaba - without a doubt - promises to become one of our jazz highlights in 2014! Combining passion, intelligence and outstanding technique, Al Di Meola is one of the most prominent virtuosos in contemporary jazz. Di Meola is rhythmically-charged flamenco and large inspired ensembles revealed his knack for advanced harmonies along with his embracing of Arabic, baroque and avant-garde. An abundant past life is well and vividly replete of thinking, from his early days in Havana to his current life in Cuba. He has been continually cited by many of the top prominent Music critics around the world for his virtuosic guitar work and compositions. At a time when complex rhythmic syncopation combined with provocative lyrical melodies always incorporating, sophisticated harmony at the root of these serious but heart felt works is central and foremost. With eight Grammy nominations under his belt, Gonzalo Rubalcaba has undoubtedly proven himself an established force in the modern jazz world.

...ecting. He continues to transform the daily routines of our lives into something more beautiful and significant.
