LARRY CORYELL & THE ELEVENTH HOUSE

The legendary band The Eleventh House is widely considered as one of the pioneering jazz-rock groups. Led by the great guitarist Larry Coryell the band was formed in 1973. Now this funk oriented jazz-rock band has a spectacular reunion with such outstanding musicians like Randy Brecker on trumpet, Alphonse Mouzon on drums and Danny Trifan on bass. All musicians are charter members of The Eleventh House.

Larry Coryell & The Eleventh House will be on a unique reunion tour in Europe in August 2014.

Sound files and videos you will find on my homepage. For further information and booking you can contact me any time.
