Jazzhouse today launched a web channel with interviews and live videos with artists performing at Jazzhouse. At the moment we have uploaded 12 videos (amongst them Fire Orchestra, Jenny Hval, Black Pus and some Danish artists as well) and we plan to do between 70 and 80 videos a year.

The videos can be used to what ever purpose people wan't to. So it's meant both for new audiences to get an introduction to jazz/experimental music, for artists to use for booking/pitch purposes, booking agencies to use etc etc etc etc
